Planning an Event? Let Us Handle the Food Vendors!

Whether you're organizing a festival, fundraiser, corporate event, neighborhood gathering, school event, church function, or private party, finding the right food vendors can be overwhelming.

That's where we come in.

The Mobile Food & Beverage Association of Marion County coordinates quality food and beverage vendors for events of all sizes—and our coordination service is **FREE** when you book participating Association vendors.

Instead of contacting multiple food trucks, make **one call** and we'll help you:

- ☒ Determine how many vendors you need
- ☒ Select a great variety of food options
- ☒ Coordinate participating vendors
- ☒ Help make your event a success

Our experienced local vendors know what it takes to serve successful events throughout Marion County and surrounding areas.
